-- Legal Profession's Most Prestigious Rating Service Recognizes Local Firm --

Boston, Massachusetts – July 25, 2018 – Law Offices of Marie Cheung-Truslow today announced it has received notification from Martindale-Hubbell that Marie Cheung-Truslow has received a Martindale-Hubbell® Peer Review Rating™.

Marie Cheung-Truslow was given an AV rating from her peers, which means that she was deemed to have very high professional ethics and preeminent legal ability. Only lawyers with the highest ethical standards and professional ability receive a Martindale-Hubbell Peer Review Rating.

The Martindale-Hubbell Peer Review Ratings evaluates lawyers based on the anonymous opinions of members of the Bar and the Judiciary, including both those who are rated and those who are not. The first review to establish a lawyer's rating usually occurs three years after his/her first admission to the Bar.

Martindale-Hubbell conducts secure online Peer Review Ratings surveys of lawyers across multiple jurisdictions and geographic locations, in similar areas of practice as the lawyer being rated. Reviewers are instructed to assess their colleagues' general ethical standards and legal ability in a specific area of practice.

The Martindale-Hubbell® Peer Review Ratings™ help buyers of legal services identify, evaluate and select the most appropriate lawyer for a specific task at hand. The confidentiality, objectivity and complete independence of the ratings process are what have made the program a unique and credible evaluation tool for members of the legal profession. The legal community values the accuracy of lawyer peer review ratings because they are determined by their peers – the people who are best suited to assess the legal ability and professional ethics of their colleagues.

Martindale-Hubbell Peer Review Ratings were created in 1887 as an objective tool that would attest to a lawyer's ability and professional ethics, based on the confidential opinions of other lawyers and judges who have worked with the lawyers they are evaluating,
